Fieldpoint Private Repeats at Private Asset Management Awards

- Named 'Best Private Wealth Manager, Under $5 Billion' -

Greenwich, CT – February 25, 2016 – Fieldpoint Private, the fast-growing wealth advisory and private banking firm serving ultra high net worth families and institutions, announced that for the second consecutive year it has been named "Best Private Wealth Manager, Under $5 Billion" at the *Private Asset Management* (PAM) awards, held this week in New York City.

The awards are among the most respected in the industry, judged by a panel of professionals from 11 peer firms in the wealth management profession. The judges also recognized Fieldpoint Private as a Finalist in the category of "Best Multi-Family Office, Client Service, over $2 Billion."

Stephanie Bartup, Editor of *Private Asset Management*, noted that Fieldpoint Private was the only advisory firm in 2016 to repeat the award it had received the year before. "Our judges continued to be impressed by Fieldpoint's outstanding client service model and by its innovative approach to investment strategy," said Ms. Bartup.

"The colleagues of Fieldpoint Private are truly honored by this recognition," said Robert Matthews, President and CEO of Fieldpoint Private. "They regularly experience the gratitude of clients for their efforts, but to earn this recognition from peers, amid such impressive competition, is very special. To do it twice, even more so. On their behalf I thank *Private Asset Management* and its judges for this recognition."
